

HELP US PUT MORE MONEY IN THE FOOD BANK

MAFTO's 3rd annual Care Package Fundraiser is bigger and better than ever.

Designed to help support Philabundance and other food related charities, **The Community Care Package is available for a \$100 donation and is filled with exciting products and free goods coupons donated by national and local retailers and brands.**

The MAFTO Community Care Package Program has provided over \$150,000 in donations to Philabundance, Small Things and other food charities – plus, program donors participated in delivering 5,000 MAFTO Care Packages to food pantry volunteers and health care givers. Larger donors were recognized with their share of over 12 million impressions from 15 OutFront/Catalyst Media locations. **This year, MAFTO is targeting \$200,000 in donations.**

OutFront is contributing billboard locations throughout our region to recognize program donors. That's millions of impressions focused on the MAFTO Community Care Package, Philabundance, Small Things and our program's corporate donors.

Here is how to participate:

- **Make a financial donation by purchasing care packages in bulk (\$100/unit);** The proceeds from each \$100 donation go directly to supporting MAFTO designated food charities and help support the efforts to eliminate food insecure in our region.
- **Give these care packages away as a tax deductible donation** to Philabundance/Small Things volunteers, healthcare heroes, or to other people you wish to recognize on your staff or in the community.

PHILABUNDANCE

Driving hunger from our communities

Philabundance is a hunger relief organization serving Greater Philadelphia. We work to drive hunger from our communities today and end hunger for good. We serve approximately 135,000 people each week, including children, seniors, college students, single parents and people who are working. Last year, we distributed more than 50 million pounds of food through a network of 350 partners.

how change happens

The mission of Small Things is to support local churches and organizations by providing them with the resources

to support their communities and connect to their neighbors in a tangible way. Founded by the Rev. Vito Baldini, Small Things Inc. was birthed during the COVID-19 pandemic when the need for food escalated. Now, more than a year later, the need hasn't abated and Small Things provides food to more than 75 partners across Philadelphia. It has hosted more than 2,000 volunteers to pack food boxes at the Roxborough warehouse, and is on track to give away 8 million pounds of food in 2021.
